Birmingham is a global events destination. World class venues, top hotels and a vibrant lifestyle offer combine with a convenient location and excellent transport links to make Birmingham the ideal choice whatever your event. The city can cater for every taste, budget and head count. With major corporations, political parties and international associations choosing Birmingham to host their meetings, conference and exhibitions, you'll be in good company.

meet birmingham event support package

the world's meeting place

Birmingham Convention Bureau's Event Support Package (ESP) is an award-winning package that offers unrivalled support to organisers, taking the stress out of managing your event and helping to ensure that your next event is better than ever.

Having someone you can trust to help with your event planning is invaluable. Local knowledge, personal contacts and an instinctive sense for what will suit you best makes the Birmingham Convention Bureau the smart choice.

Especially as most of our services are FREE!

Our services include:

- Venue location
- Social programme planning
- Sourcing hotel accommodation
- Allocation of bedrooms held specifically for your event
- Real-time online booking facility enabling your guests to book 24 hours a day, 7 days a week
- Provision of hard copy reservation form if required
- Telephone, fax and email booking mechanisms available
- Online booking for local attractions, events and restaurants

In addition to the above, which are free of charge, BCB can also assist with:

- Visitor literature
- Access to Birmingham images and promotional DVDs
- Exclusive discounts for bars, restaurants, retailers and venues in the city
- Welcome branding in and around the city centre
- Public relations support
- Bespoke web page giving visitors access to all the best Birmingham has to offer
